**The Centre de santé communautaire de l'Estrie
25th Anniversary Celebration**

June, 2016

Dear Marc and Gilles,

Thank you for your invitation to the 25th anniversary of the Centre de santé communautaire de l'Estrie. I regret that I am unable to attend, but I send my best wishes for a joyous celebration.

This event marks a monumental accomplishment for the Centre de santé communautaire de l'Estrie and the dedication to serving the francophone community.

As we move forward with the transformation of Ontario's health care system, community health centres are increasingly important to ensuring that care is patient-centred and as close to home as possible.

The Centre de santé communautaire de l'Estrie has played a valuable role in offering high quality community-based health services and breaking down barriers in access to care.

Today, and every day, we recognize the extraordinary care provided by Community Health Centres and their important role in Ontario's health care system. We commend you on your dedication and thank you for all that you do.

Congratulations on your 25th anniversary.

Sincerely,

Dr. Eric Hoskins
Minister of Health and Long-Term Care
